

COMPACT hinge

The compact with excellent performances!

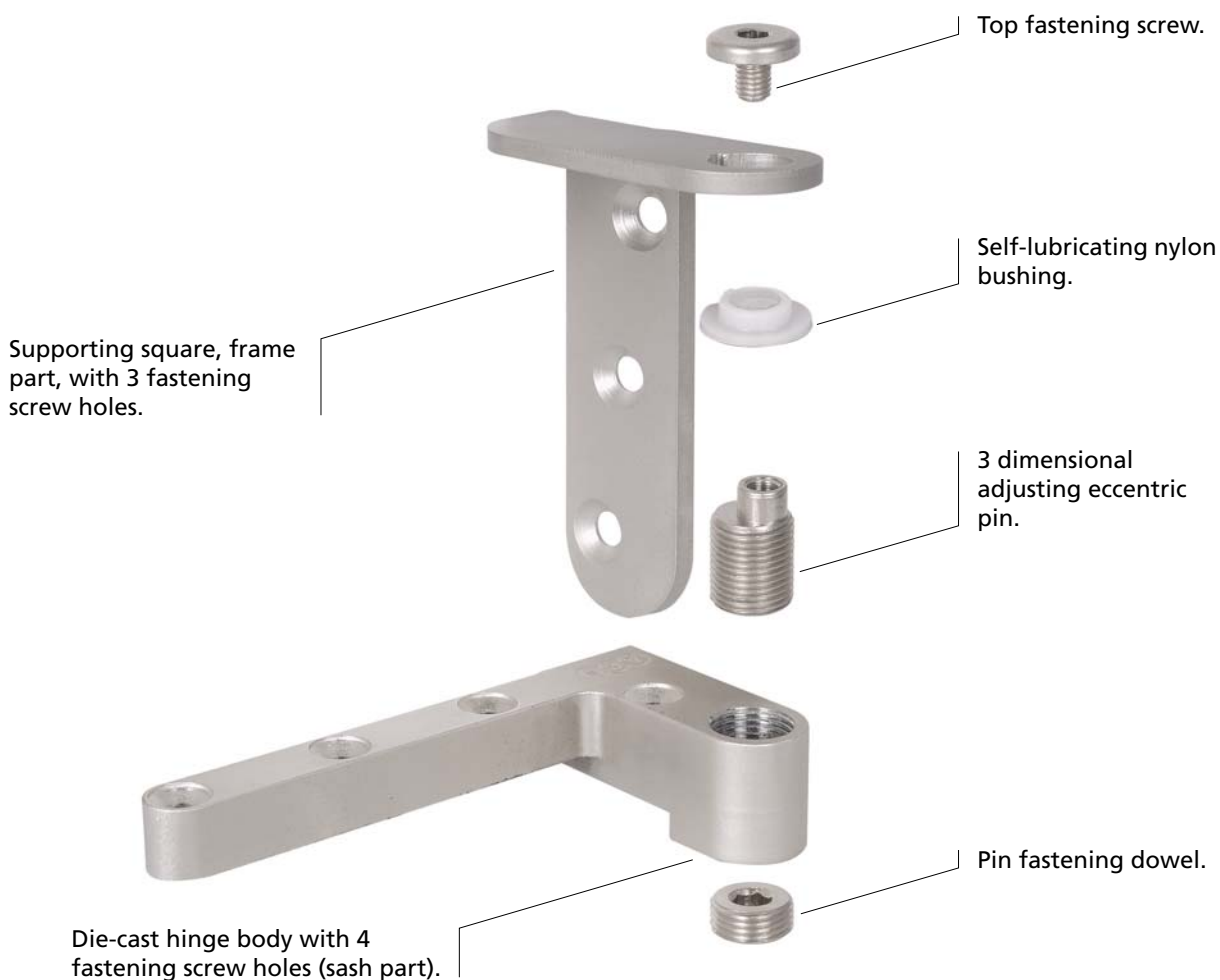

*Designed for flush doors
up to a minimum
thickness of 35 mm.*

The rotating body of the hinge has minimum dimensions in order to reduce the visibility when door is closed.

COMPACT hinge - The compact with excellent performances!

So much precision in a little room

The eccentric pin allows the adjustment on 3 dimensions when door is installed.

The special shape of the hinge allows a 180° opening.

Available in matt nickel plated and Enamelled brass plated finishes.
